

BIP Interculturality, Diversity, Multiculturalism and Inclusiveness

**Welcome to the BIP Interculturality, Diversity,
Multiculturalism and Inclusiveness!**

Here are the practical information about your stay :

1. Hybrid Format

31st March and 7th April: Online learning modules

7-11 April: Face-to-face workshops

2. Objectives

Develop intercultural competences: communicate, navigate intercultural barriers, build bridges

Explore the complexities of diversity: cultural, social and linguistic diversity

Understand multiculturalism: theoretical foundations and practical implications

Promote inclusiveness: issues of discrimination, prejudice and inequality

3. Participants

Students from the UNIGreen Alliance

5 students per institution

4. Housing and transports

While the responsibility for arranging student accommodation lies with the participating institutions, we provide a list of hotels to assist in this process. We strongly recommend that the students stay in the same hotel or hostel. We also recommend staying close to *Guillemins station* to use public transport easily to reach the school.
